

Name: _____ Date: _____ Period: _____

TO
THE
PAST

Directions: After reading the background information and examining the source, answer the questions below.

Background Information: *Canada officially joined World War II on September 10, 1939, two days after the United Kingdom and France declared war on Germany. The trajectory of the war was transformed by several key turning points, including the entrance into the war of the USA in 1941, and the breaking of the USSR/Nazi pact, which lead to the Soviet Union supporting the allies against Germany.*
