**Directions:** After reading the background information and examining the source, answer the questions below.

**Background Information:** *On his second voyage to North America in 1535, Jacques Cartier was led to the Iroquois settlement of Stadacona by Domagaya and Taignoagy, sons of Donnaccona, the leader of the community. Domagaya and Taignoagy had been seized and taken to France following Cartier's previous trip to the area in 1534.*

**Featured Source:**

**Title:** *Jacques Cartier Meeting the Indians at Stadacona, 1535*

**Artist:** Marc-Aurèle de Foy Suzor-Coté

**Date:** 1907

**Statement:** The painting “Jacques Cartier Meeting the Indians at Stadacona, 1535” is useful primary source evidence for historians exploring the circumstances of the meeting Cartier and the Iroquois at the community of Stadacona in 1535.
